# Samtalskväll med fika på Café Station

Tisdagen den 14 april kl. 19

Olof Stjernström berättar om projektet Diverse som handlar om integration & arbete i Sverige och Västerbotten.

Vi kommer att samtala och diskutera de strukturer och system som stödjer eller hindrar effektiviteten i integrationen.

## AWARENESS-RAISING SEMINAR 2 (WP6) - INVITATION

**Date:** 4 Maj 2015

**Venue:** S207 Geography and Economic History, Umeå University

**Invited:** Masters Students, Umeå University

### Information and Feedback from an EU research project 'DIVERSE' concerning Sweden's Process and Progress Regarding a Broad Integration of Immigrants

We will present the results from this research project which focused on integration and employment for immigrants to Västerbotten region and to Sweden as a whole. We will discuss the systems and structures that support, or hinder, the effectiveness of integration. The project has studied Sweden's skills, knowledge, competence (SKC) recognition system (judging of experience and abilities), as well as labour market and wider integration issues.

We look forward to an interesting discussion with you.
