www.king.ismu.org • @KING_Project_EU

Il progetto KING - Knowledge for INtegration Governance - finanziato dalla DG Home Affairs della Commissione Europea e coordinato da Fondazione ISMU - ha avuto per oggetto **le politiche e i processi di integrazione dei migranti in Europa**, analizzati attraverso una **ricerca multidisciplinare** della durata di due anni (2013-2015). Il progetto ha coinvolto **40 ricercatori** provenienti da **10 diversi paesi** europei e specializzati in differenti discipline - **Economia, Demografia, Scienze Sociali, Scienze Politiche, Diritto**. L'attività di ricerca, bibliografica e sul campo, ha prodotto **diversi output** tutti scaricabili dal sito del progetto (www.king.ismu.org).

Dal sito del progetto www.king.ismu.org è possibile scaricare tutti i prodotti della ricerca:

- ✓ *50 Research Papers*
- ✓ *Rapporto Finale* contenente i risultati della ricerca e, sulla base delle evidenze empiriche emerse, una serie di policy-recommendations come proposta di implementazione dei Common Basic Principles on Migrant Integration (CBPs).
- ✓ *Executive Summary*
- ✓ *Mid-term Executive Summary*

I risultati del progetto KING hanno anche nutrito il dibattito della Quinta Conferenza Ministeriale per l'Integrazione tenutasi a Milano il 5 e il 6 Novembre 2014. Dal sito del progetto www.king.ismu.org è possibile scaricare il *Background Note* della Conferenza elaborato sulla base degli esiti delle attività di ricerca di KING.

L'**ADVISORY BOARD**, in qualità di comitato scientifico, ha definito e sviluppato le linee della ricerca, al fine di garantire un adeguato approfondimento dei temi legati all'integrazione in ciascuna delle discipline coinvolte.
