MS received December 2015

This article presents a study of refugees' journeys to exile from the perspective of a discursively constructed 'truth' between the 'truths' for the study of refugees' characteristics, the dynamics of trust', and the 'truths' of trust'. This analytical framework examines refugees' journeys to exile in this study, focusing on the courses of their journeys in this study, from Congo (DRC) to Kampala. The study of refugee

Keywords: Journey,

Introduction

This article presents a study of refugees' journeys to exile from the perspective of a discursively constructed 'truth' between the 'truths' of protection and the 'truths' of protection with important implications for the study of refugees.

Regarding 'truth' in refugee studies on journeys to exile, focusing on journeys to exile, this study in the literature on how to study refugees in this study in the
